Complainant further requests the Commission to initiate an investigation pursuant to Section 403. 47 U.S.C. §403.

## SUMMARY

3. The complaint alleges specific harms inflicted on the complainants.

4. The complaint alleges unjust and unreasonable discrimination in the provision of phone service; charges, practices.

5. The complaint alleges liability to the person or persons injured thereby for the full amount of damages sustained in consequence of any such violation of the provisions of this Act, together with a reasonable counsel or attorney's fee.

6. The complaint alleges charges are continuously crammed unlawfully.

7. 8. Complainants request the Commission move immediately to grant motion for request of evidence.

9. Complainants seek damages totaling \$101,500,000 per Commission Rule 1.722. 47 C.F.R. § 1.722. Dam for: (a) not honoring refund policy, and termination of original Agreement while unjust and unreasonable charges, practices, and discrimination occurred in the provision of phone service along with retaliatory harassment in the amount of \$100,000,000; and (b) continuous cramming of charges, including the unauthorized number change in the amount of \$1,500,000; along with (c) pro se attorney fees in the amount of \$5,000 a day from March 23, 2018 until award is granted; (d) \$6,000 fine for each violation awarded to the UNITED STATES OF AMERICA, plus \$300 a day from March 14, 2018 until the date award is granted minus any taxes owed to the IRS.

### **PARTIES**

10. Complainants are Paperkidd Productions & Publishing, minority owned business, and Jarrell Curne, African-American songwriter, low-income resident of Grandview, MO

11. Complainants are appearing Pro Se.

12. Defendant Verizon Wireless is a New Jersey corporation with its principal place of business in One Verizon Way, VC52N061, Basking Ridge, NJ 07920-1097. Verizon Wireless is operating as a common carrier, and specifically as a telecommunications service that is subject to the Act.

13. Defendant is represented by David Haga, Assistant General Counsel, Verizon Wireless Attorney, 1320 N. Courthouse Road, Arlington, VA 22201.

## **JURISDICTION**

14. As detailed, the Commission has jurisdiction pursuant to Sections 201(b), 202, 205, 206, 207, 215, 217, and 218 of the Communications Act, and Sections 1.720 et seq. of the Commission's rules. 47 U.S.C. §§ 201(b), 202, 205, 206, 207, 215, 217, and 218; 47 C.F.R. §1.720 et seq. Verizon Wireless is a common carrier, 47 U.S.C. § 153, subject to Title II of the Act.

15. The Commission has authority to initiate an investigation pursuant to Section 403 of the Communications Act. 47 U.S.C. §403.

16. The Commission possesses additional authority pursuant to Sections 151 and 254 of the Communications Act, 47 USC § 151, 254, and the Commission's rules including 47 C.F.R. §§ 1.1, 4(i), 1.17.

## **REQUIRED CERTIFICATIONS**

17. Settlement Discussions. Complainants and Defendant have engaged in significant discussions in writing and phone meetings. Defendant does not acknowledge its obligation to honor customer rights under the 1934 communications act, and continues cramming charges unlawfully; therefore parties are sufficiently far apart that we seek Commission intervention in this dispute. Pursuant to the Commission's rules (47 C.F.R. § 1.721(a)(8)), Complainant hereby certifies that it has attempted in good faith to discuss the possibility of settlement with Verizon Wireless prior to filing this Amended Formal Complaint with the FCC special counsel staff supervision. Before this Jarrell Curne at various points in time have discussed settlement but at present, the parties remain far apart. Counsel for Verizon Wireless expresses an unwillingness to engage in monetary mediation while still cramming charges unlawfully.

Therefore, Complainant is not satisfied with the concession of settlements with Verizon Wireless alone. Pursuant to the Commission's rules regarding separate actions (47 C.F.R. § 1.721(a)(9)), Complainant states that no party has filed any separate actions in any fact finding or decision making body.

18. Payment of Fee and Registration Number. Complainants paid the required \$230.00 fee on April 30, 2018 and obtained the Commission-required FRN as follows: FRN #0027483726.

## **FACTS**

### **I. Introduction**

19. This complaint brings to the Commission the needs of a minority business, and low-income individual who require, as most people in the United States do today, reasonable access to affordable communications services. Cramming is the fraudulent practice of adding unauthorized charges to a customer's phone bill. Refund was requested on telecommunications service, after a unlawful termination, local police authorities were called, as an attempt to prevent to the return of non-working equipment, by store representatives who mishandled business information. This has resulted in extreme emotional distress, and under duress, a multinational conglomerate is also causing pain, and suffering to an American citizen, who has since continued to experience trauma from the telecommunications marketplace purchase inconvenience caused by unauthorized number change, and continuous cramming from discrimination. Complainants have had to work on this since March 21, 2018.

## **II. Complainants**

20. Complainants Paperkidd Productions & Publishing, minority owned business, and Jarrell Curne, African-American songwriter, low-income resident of 14919 Pine View Dr, Grandview, MO, 64030 in the Verizon Missouri service area with combined first-hand experience as Verizon customer of 2 years in the past. They assert that they have been inconvenienced as consumer of Verizon Wireless recently, who has disconnected devices repeatedly, and continues to do so at random. Due to private sector business information being mishandled by Verizon Wireless representatives, Complainant was accused of fraud, almost arrested, and/ or killed, while the same documentation has been provided throughout entire time. Verizon Wireless manager, Brian, promised if equipment was interrupted again a refund would be issued upon return, instead, authorities were called in measure to banned Complainants from location, after already asking Complainant to leave prior at request of district area manager, which prompted a vulgar, but non-threatening response, upon exiting physical telecommunications marketplace after the fact. Complainants told Verizon Wireless they would be sorry when their sued, and Verizon Wireless constituted that statement as a threat, which turned into retaliatory harassment, and discrimination from the defendants on multiple occasions.

## **III. Evidence of Verizon Cramming**

21. A recent detailed letter, from Verizon Wireless, by David Haga states they will remove the unlawful charges which keep reappearing, while asking Complainants to work for free on their behalf to fix the phones, at the same time still disconnecting service but denying everything which is unethical. Complainant is being charged for inactive device and requests the Commission to initiate an investigation pursuant to Section 403. 47 U.S.C. §403.

#### **IV. Evidence of Discrimination**

22. Several recent attempts to provide documentation to store managers, Brian at the location 15239 W 119Th St, Suite B2, Olathe, KS 66062, which equipment was obtained from resulted in the suspension, then termination of Complainants contract. Only after Jarrell Curne, provided Jacob, Verizon Wireless fraud manager the same items receiving reference number 167717566 only two days later, Jacob repeatedly apologized before bringing Andrea, BGCO sales specialist, on a recorded phone line who again apologized, and waived equipment fee for refusal of return. Both Jacob, and Andrea, stated their system would not allow reconnection of lines, Complainants spoke with BGCO, and fraud 4 hours, during which time, both BGCO, and fraud specialist on a recorded phone line admitted fault of Verizon Wireless. BGCO then proceeded to reconnect lines under “new” sub account, changing account plan, and phone number, without authorization of Complainant, who requested original services asked for in retail store location on March 15, 2018, without the additional phone line. Nick, Verizon Wireless customer service representative, refused to send Complainant physical device, or sim card on April 11, 2018, stating Complainant would be charged for it, but would not be given access to it even though Complainants were being banned from retail location unjustly, after Brian, the store manager promised the refund if Complainants needed to return.

23. While carriers justify these disparities based on vulgar, non-threatening language, from March 23, 2018, at 7:00pm, Verizon Wireless fails to notify FCC that account was terminated, numbers were permanently lost, and customer was charged \$307.58 for March 14, 2018, even though Complainants receipts (see attached) show equipment, and service from communications company was not obtained until March 15, 2018. Verizon Wireless upon inquiry

of informal FCC complainant states that they bill one month in advance, this does not explain a charge from past not future, which is unlawful under the Commission's act. Furthermore it continues on "new" sub account opened under duress with the continuous cramming of charges. Please be advised Verizon Wireless customer agreement states; (a) threaten, harass, or use vulgar and/or inappropriate language toward our representatives; they can without notice, limit, suspend or end your Service or any agreement. Complainants Service was without notice, limited, suspended and ended on March 23, 2018, at 4:00pm, hours before Complainants used language, Verizon Wireless breached the customer agreement, which makes language use clause null in void, canceled, and invalid, during the time of use in a non-threatening manner, account was already fully terminated, without refund being provided.

## **LEGAL ANALYSIS**

### **I. No Unjust or Unreasonable Discrimination or Practices.**

24. Federal communications policy prohibits against discriminatory deployment and offerings of communications service. The Commission is charged with "regulating interstate and foreign commerce in communication by wire and radio so as to make available, so far as possible, to all the people of the United States, without discrimination on the basis of race, color, religion, national origin, or sex, a rapid, efficient, Nation-wide, and world-wide wire and radio communication service.." 47 U.S.C. § 151.

25. Sec. 202 of the Act:

It shall be unlawful for any common carrier to make any unjust or unreasonable discrimination in charges, practices, classifications, regulations, facilities, or services for or in connection with like communication service, directly or indirectly, by any means or device, or to make or give any

undue or unreasonable preference or advantage to any particular person, class of persons, or locality, or to subject any particular person, class of persons, or locality to any undue or unreasonable prejudice or disadvantage.

47 U.S.C. § 202.

26. Section 201(b) of the Act says that “all charges, practices, classifications, and regulations for and in connection with interstate or foreign communication service by wire or radio, shall be just and reasonable, and any such charge, practice, classification, or regulation that is unjust or unreasonable is declared to be unlawful.” 47 U.S.C. § 201(b). The Commission has held that unfair and deceptive marketing practices by interstate common carriers, including misrepresentations about a carrier’s service constitute unjust and unreasonable practices under Section 201(b) of the Act.

## **II. Obligations to Deal Honestly with the Commission**

27. Parties before the Commission are required to make truthful and accurate statements in its proceedings. 18 U.S.C. § 1001 (criminal perjury before federal agencies); 47 C.F.R. § 1.17 (investigatory or adjudicatory matters); 47 C.F.R. § 1.24 (ethical conduct of counsel); 47 C.F.R. § 1.52 (requiring filings to be signed and with good grounds).

## **III. Communications Services Legal Treatment**

28. Communications Access, including the services, charges, practices subject to this compliant, are subject to Section 202.

## **IV. Standard for Determining Discrimination Under Section 202**

29. Unjust charges under Section 202 can be successfully brought if either the price or the product unjustly or unreasonably discriminates. The loss of communications access harms

the complainants, because of the loss of business it creates, and time consumption to correct the issues repeatedly, while Complainants stood for hours on a damaged right leg. (see attached)

30. Verizon has been found to violate sections 201(b) before, and is not immune from act merely because its discrimination is based on vulgar, non-threatening language, which occurred after unlawful termination, due to discrimination and not before.

#### **VI. The Commission Should Initiate an Investigation Pursuant to Section 403**

31. Under Section 403, the Commission has sweeping authority to “institute an inquiry” pursuant to an authorized complaint relating to the enforcement of Commission rules. 47 U.S.C. § 403.

#### **RELIEF REQUESTED**

32. Complainants request that the Commission: (a) find that Defendant Verizon Wireless has violated Sections 201(b), 202, 205, 206, 207, 215, 217, and 218 of the Act, by failing to furnish communication services upon reasonable request, and consequently, issue permanent ruling prohibiting Verizon Wireless from engaging in the discriminatory and unlawful conduct and practices alleged herein; and (b) find that Verizon Wireless has violated Sections 201(b), 202, 205, 206, 207, 215, 217, and 218 of the Act, by unjust or unreasonable charges, practices, and as such is liable to the person or persons injured thereby for the full amount of damages sustained in consequence of any such violation of the provisions of this Act, together with a reasonable counsel or attorney's fee, including but not limited to an obligation upon Verizon Wireless to provide phone service to the lower income minority owned business without cramming.

33. Complainants seek a determination of damages to be made in the same proceeding as the determinations of liability and prospective relief per Commission Rule 1.722. 47 C.F.R. § 1.722.

34. The Defendant stated on April 25, 2018 Verizon Wireless has inconvenienced Complainants on multiple occasions, this inconvenience is considered discrimination. Pertaining to continuous cramming the Complainant has attached a Declaration stating 4 devices, with 3 lines, but has been charged from 6, upon which after filing informal complaint with FCC is still now being charged for 5. Complainants number was changed without authorization, or notice after initial account was terminated without notice unlawfully. Complainants request just and proper damages totaling \$101,500,000 per Commission Rule 1.722. 47 C.F.R. § 1.722. Dam for: (a) not honoring refund policy, and termination of original Agreement while unjust and unreasonable charges, practices, and discrimination occurred in the provision of phone service along with retaliatory harassment in the amount of \$100,000,000; and (b) continuous cramming of charges, including the unauthorized number change in the amount of \$1,500,000; along with (c) pro se attorney fees in the amount of \$5,000 a day from March 23, 2018 until award is granted; (d) \$6,000 fine for each violation awarded to the UNITED STATES OF AMERICA, plus \$300 a day from March 14, 2018 until the date award is granted minus any taxes owed to the IRS. Complainant states damages are just in proper after reviewing several other FCC cases regarding Verizon Wireless.

### **Conclusion**

35. For the reason set forth above and in the Formal Complaint, the Commission should grant Complainants the relief they have requested.

**AMENDED FORMAL COMPLAINT OF PAPERKIDD PRODUCTIONS &  
PUBLISHING AND JARRELL D. CURNE's MOTION FOR RECUSAL**

1. Complainants read online Ajit Varadaraj Pai is a telecommunications director who serves as the Chairman of the United States Federal Communications Commission, and inside the dinner (also known as the "telecom prom") at the Washington Hilton, said the following remarks below along with the Verizon Wireless Executive which is Judicial disqualification, also referred to as recusal, the act of abstaining from participation in an official action such as a legal proceeding due to a conflict of interest of the presiding court official or administrative officer:

***Verizon executive: "As you know, the FCC is captured by industry. But we think it's not captured enough. We want to brainwash and groom a Verizon puppet to install as FCC chairman. Think Manchurian Candidate."***

***Ajit Pai: "That sounds awesome."***

***Verizon executive: "I know, right? There are only two problems. First, this is going to take 14 years to incubate. We need to find someone smart, young, ambitious, but dorky enough to throw the scent off."***

***Ajit Pai: "Hello."***

***Verizon executive: "So you will do it?"***

***Ajit Pai: "Absolutely. But you said there was another issue?"***

***Verizon executive: We need to find a Republican who can win the presidency in 2016 to appoint you FCC chairman. I think our best bet is an outsider, but I have no idea who that would be. If only somebody can give us a sign.***

2. The Federal Communications Commission (FCC) is an independent agency of the United States government created by statute (47 U.S.C. § 151 and 47 U.S.C. § 154) to regulate interstate communications by radio, television, wire, satellite, and cable. Keyword is regulate, and it does not seem Ajit Pai; or the commission staff hold their key public position with regards to upholding regulations for American citizens no matter their color, or background when it comes to African-Americans v. Verizon Wireless. This unjust or prejudicial treatment has lead complainants to now request recusal of Ajit Pai, on File No. EB-18-MD-003, Proceeding Number 18-140, and any other republican commissioner or staff member who may discriminate instead of regulate if the FCC chooses not to respect the rule of law set fourth under Franklin D. Roosevelt. Paperkidd Productions & Publishing, LLC. request for the referral of File No. EB-18-MD-003, Proceeding Number 18-140 to be transferred to the democratic commissioner Jessica Rosenworcel unless she has ever worked for, or received gifts or monetary value from Verizon Wireless in the past, or present in any such way. Conflict of interest is a situation in which a person is in a position to derive personal benefit from actions or decisions made in their official capacity.
